Welcome to Revive Britain

Founded by **Pastor Sam Adetona** of Harvest Mission Outreach.

Revive Britain is a transformative initiative dedicated to uniting community leaders, charity groups, churches and residents across London.

Our vision is to break down barriers between church and community, especially in sharing the Gospel and faith in Jesus Christ.

...with dynamic preaching, teaching and demonstrations of divine healing, deliverance and salvation...

Project Summary:

This inspiring initiative aims to ignite a spiritual revival across London and the UK through a series of evangelistic outreaches, culminating in **a powerful 2-day nationwide event at Central Hall Westminster (7-8 August 2026) featuring Pastor Sam Adetona.**

The event will showcase the presence of God through dynamic preaching, teaching, and demonstrations of divine healing, deliverance and salvation, sparking renewed faith and community transformation.

Community Engagement:

Music will play a very important part of this outreach and leading in the worship/music ministration will be renowned award-winning musician, **Noel Robinson**.

In addition, a key part of our outreach is connecting deeply with the local London community who may not necessarily be already affiliated with the church. To do this, we plan to form a **vibrant 300-strong Revive Britain Community Choir, (RBChoir)** directed by choral director, **Magdalena Supel**.

This choir will serve as a powerful symbol of unity and faith, performing uplifting songs that inspire hope and belief during the events.

Open to all, the RBChoir will help foster a sense of community and shared purpose, making the revival experience even more impactful.

How We Make a Difference:

1. Series of Community Events

Revive Britain hosts a series of events across London's four regions - North, East, West and South - to bring community leaders, charity organisations, and church groups together to discuss issues, share ideas and build partnerships.

2. Leaders' Meetings

Organising high-level meetings involving the Mayor, police, community leaders and church representatives to foster dialogue and collaborative action.

3. Community Choirs & Cultural Initiatives

Establishing Community Choirs in each region to promote unity through gospel music, culminating in the 300-strong RBChoir.

4. Final Gathering in Westminster

All efforts will culminate in a grand event in **Westminster in August 2026**, celebrating community, faith and hope.

5. Building a Community of Faith, Hope & Love

Throughout the year, we will connect with a diverse range of people, building a community rooted in a renewed faith in the Gospel of Jesus Christ and open demonstrations of God's love, acceptance and unity in London.
